DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-2 & 4-5 are rejected under 35 U.S.C. 102(b) as being anticipated by Wada (US 6,198,151).

Wada teaches a semiconductor memory device comprising (Figs.1-2):

A plurality of bit lines (Fig.1); a plurality of gates (wordlines, Fig.1) intersecting with said bit lines; a plurality of active areas (Fig.1), each of which is connected to one of said bit lines; a plurality of deep trenches (202 & 203 & Fig.2), at least one (202) of which communicates with only two different active areas (111 & 112) which are respectively connected with two adjacent two of said bit lines (BL1 & BL1'), wherein the cross section of said trench communicated with said two different active areas.

Response to Arguments

3. Applicant's arguments with respect to claims 1-2 & 4-5 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
